Kentucky Commission on Human Rights
c/o Mr. John J. Johnson, Executive Director
332 West Broadway, Suite 700
Louisville, Kentucky 40202

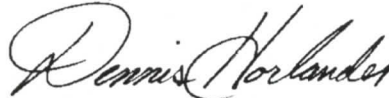

Dear Kentucky Commission on Human Rights:

It is with great pleasure that I write this letter in observance of the Kentucky Human Rights Commission's Golden Anniversary.

Fairness and equality have always been traditional values in my family. My Aunt Nell Pitcock Horlander courageously stood up for equality and spent her lifetime promoting fairness. As a labor union member and a charter member of the Kentucky Women's Advocates, she served on numerous local, state, and federal committees.

Let us celebrate our endeavor to obtain civil rights for all races, genders, and ages in Kentucky. Thank you for making a difference in our community and state.

Sincerely,

Dennis Horlander
State Representative
